SUPPLEMENT TO
REPORT AND RECOMMENDATION
AND
DISCOVERY ORDER

On February 2, 2001, I entered a Report and Recommendation in connection with Defendant's Motion to Dismiss. That Report contains the following sentence, to wit:

Absent a Reply, I have no way of determining the discovery which still presents a problem.

Defendant's Reply was filed with the Court on February 2, 2001, at 4:23 p.m. It will be taken into consideration when I review the submission which I required to be made by counsel in connection with outstanding discovery problems. The previously filed Report and Recommendation will not be altered, except to include this supplement.

IT IS SO ORDERED.
